

While this may not be the busiest time of year in the sprayer industry, it's the perfect time to replenish your inventory. Take a look at our Top Products of 2014 for insights into what's popular.

The most popular products of 2014 may not surprise you.

1. Greensmaster JD9-C Spray Gun

This heavy-duty spray gun was the most popular product of 2014. Equipped with a large spray tip and adjustable from fine mist to long distance pencil stream with the turn of the barrel, this spray gun is effective for any tree and shrub application.

2. Hypro D30GRGI Diaphragm Pump with Gearbox and Pressure Regulator

Hypro's D30 pump with GS40GI control unit and gear reduction was the second most popular product sold by Sprayer Depot. This medium pressure diaphragm pump is recommended for spraying herbicides, pesticides, liquid fertilizers, and many other hard-to-handle fluids.

3. 1/2" ID 800 psi 300' Roll of Spray Hose

The Flextral Ag High Pressure Spray Hose is designed for pesticides, fertilizer, insecticides, horticultural solutions, and other agricultural spray applications. Made of kink-resistant rugged PVC, it's flexible, lightweight construction coupled with easy grip made it the third most popular item on our list.

4. Kings Sprayers 100 Gallon Skid Sprayer with 10 gpm Pump and Manual Hose Reel (Model #: KS100P7027)

Part of our Kings Sprayers Quickship™ Program, this 100 gallon skid sprayer is great for tree-spraying and can be used in truck beds, utility vehicles, boats and trailers.

5. E1526-17-18 Hannay Electric Rewind Hose Reel

Rounding out the top five products is the Hannay Electric Rewind Hose Reel that can hold up to 400' of 3/8" ID hose or 300' of 1/2" ID hose. Great for lawn care, pest control, pressure washing, agriculture and steam cleaning, this product is lightweight with compact reels designed for long lengths of hose.

Custom sprayers are more prevalent these days, allowing buyers the option to customize components and parts to meet their individual needs and preferences. So it comes as no surprise that the top five list incorporates components to customize your sprayer.
